Kids Baking and Cake Decorating Classes

If your kid would like to learn how to learn cake decorating techniques this is the place to be. Each kid will make their own creations, this is not a classic cake decorating class, but they really have to love it. They will get homework (baking cupcakes at home), so they will practice what they have learned in our baking classes.

Our kid's cake decorating classes: Allows the student to become firmly grounded in the fundamentals of cake decorating techniques. These are 5 classes' series. **(Materials are not included in these classes; each student will have to bring their own material and cupcakes)**

Starting on Wednesday September 28th. From 5:30 pm - 7:30 pm. These classes are held once a week.
